At the outset, Dr. T.V. Dr. Muniyappa urged the members to work with full zeal and enthusiasm without favour and fervor for the progress of the Society. He hoped that after unification of the two factions, the Society will rise to newer heights. He appealed to the members to forget the past and look forward for the further upliftment of the Society.

Dr. Sushilkumar, Secretary, ISWS apprised the house about activities carried out by the EC during 2011-2012. He informed that the membership of ISWS is increasing every year which may be considered as an indicator that scientists and research workers from different state universities, conventional universities and ICAR institutes are taking more interest in the weed management research. He informed that issue of Indian Journal of Weed Science (2011, 1&2)

has been published under the Chief Editorship of Dr. Samunder Singh, who has also brought with him some copies for distribution among the members.

Dr. R.K. Pannu, Treasure of ISWS at CCSHAU, Hisar presented the receipt and expenditure statement of the Society at Hisar.

Dr. V.P. Singh, Treasurer of ISWS at DWSR, Jabalpur read out the receipt and expenditure statement during the last two years at Jabalpur. The audited statements of accounts at Jabalpur and Hisar were also distributed among the members for their perusal and comments. After discussion, it was unanimously approved by the GB.

After a thorough discussion on various emerging issues related to the functioning of Society, the following resolutions were passed unanimously:

1. All the differences and outstanding issues between the two factions of the Society based at Hisar and Jabalpur were fully resolved to the satisfaction of all the concerned.
2. Both the factions agreed to have one unified Society named as "Indian Society of Weed Science", which was registered with the Registrar of the Society, Bangalore on 17/12/2008 with Registration No SOR/BLU/DR/518/08-09.

Chief Editor appointed by the EC, who will also be a member of EC.

A minimum of 50% of the members of the EC shall form a quorum instead of 20% as described in earlier byelaws. Likewise, a minimum of 10% of the total membership will form the quorum for General Body meetings. In case quorum is not fulfilled, meeting can be adjourned for half an hour and then it may resume its functions. All such amendments and alternations in the rules will be communicated to the Registrar of the Societies with a fresh draft of the byelaws as resolved by the General Body meeting.

7. It was resolved to transfer all the funds of the Society lying in different accounts to be deposited in one account in a nationalized Bank at Jabalpur.

11. Dr. Devraj Arya, Monsanto India Ltd, Mumbai was unanimously elected as a Returning Officer to conduct the election, for which, he kindly agreed. It was decided that a combined list of members enrolled at Hisar and Jabalpur will be prepared and sent to Dr. Devraj Arya for initiating election process.
