

## CONTENTS

Title	Page
Residual effect of herbicides on germination and growth of grass seedlings <b>M. K. Ahmed, R. E. Engel, C. R. Funk and J. K. McVeigh</b>	1
Herbicidal control of weeds in Maize <b>D. J. Chandra Singh and K. Narayana Rao</b>	7
Studies on the requirement of weedfree maintenance in Soybean <b>V. M. Bhan, Megh Singh and R. A. Maurya</b>	12
Effect of various rates of 2, 4-D with and without urea on dwarf wheat and associated weeds <b>J. K. Jain, S. S. Pahuja and M. K. Moolani</b>	17
Varietal resistance to Propazine in Sorghum germplasm <b>V. S. Rao</b>	23
Studies with new promising herbicides for weed control in cotton ( <i>Gossypium hirsutum</i> L.) <b>H. S. Brar, G. S. Gill, H. S. Gill and L. S. Brar</b>	28
Relative efficiency of herbicides for weed control in CSH-1. Sorghum. <b>S. Sankaran and V. S. Mani</b>	33
Effect of organic carbon, moisture and clay content on the toxicity of simazine to oats <b>O. P. Joshi and N. P. Datta</b>	40
A colorimetric method for estimation of diuron residue in fodder sorghum (Cv M. P. Chari) and lucerne <b>R. K. Gupta and T. R. Dutta</b>	48
Persistence of atrazine in soil cropped with corn ( <i>Zea mays</i> L.) <b>S. N. Kaushik and M. K. Moolani</b>	53
Chemical composition of groundnut kernels as affected by application of Lasso <b>Kuldip Singh Dhindsa and S. K. Gupta</b>	61
