

CONTENTS

Title	Page
Weed problems in Rice and Possibilities of chemical weed control K. Gopalikrishna Pillai, V. K. Vamadevan and S. V. Subbaiah	77
Studies on chemical weed control in Irrigated cotton(<i>Gossypium hirsutum</i> Var. MCU-5). D. J. Chandra Singh, P. Nageshwara Rao, K. Narayana Rao and J. Prabhakara Rao	88
Weed Management in Rainfed Sorghum G. Subba Reddy, J. Venketeshwarlu, and R. D. Dryden	95
Studies on the Autecology of <i>Utricularia stellaris</i> L. F. S. Patnaik	101
The effect of simazine on yield and major nutrient uptake by maize and wheat O. P. Joshi and N. P. Datta	108
Growth of <i>Parthenium</i> under different soil conditions and relative efficacy of Pre-Emergent herbicides T. V. Muniyappa and K. Krishnamurthy	115
Effect of herbicides on tuberization in <i>Cyperus rotundus</i> L. M. R. Bajpai	121
Germination, Growth and reproductive behavior of <i>Phalaris minor</i> Retz. as affected by date of planting V. M. Bhan, D. B. Bhaskar Choudary	126
Weed control in rainfed groundnut (<i>Arachis hypogaea</i> . Linn.) with the use of herbicides. G. H. Sankara Reddi, Y. Yogeshwara Rao and M. S. Soundara Rajan	131
Efficacy of various herbicides on the control of weeds in plum Orchards H. S. Dhuria, V. P. Bhuttani and D. R. (Mrs.) Gautam	134
Influence of weeds on onion (<i>Allium cepa</i>) yield and their methods of control using herbicides. V. M. Bhan, S. D. Singh and S. S. Tripathi	140
