

## CONTENTS

Title	Page
Crop weed competition studies in maize <b>G. Chandrasagar</b>	137
Non-cash technology for minimizing weed growth in pigeon pea <b>C. L. Patel, Z. G. Patel, and H. C. Patel</b>	143
Relative efficacy of herbicides for weed control in mungbean <b>M. S. Shaktawat, J. J. Sharma and R. K. Sharma</b>	147
Chemical weed control in <i>Guizotia abyssinica</i> Cass <b>C. R. Bisen and Vivek Rastogi</b>	152
Effect of herbicides and nitrogen doses in weed control of wheat under alluvial and calcareous soils <b>Jitendra Pandey and V. S. Mani</b>	158
Feasibility of chemical weed control in multiple forage cropping system of Bajra-Cowpea-Oat+Peas <b>R. K. Pandey, Fateh Singh and S. D. Gupta</b>	164
Effects of storage on the extractability of protein and stability of carotenoid pigments in <i>Parthenium</i> vegetation and juice <b>K. G. Joshi and R. N. Joshi</b>	168
Evaluation of herbicides for control of pig weed ( <i>Amaranthus viridis</i> L.)- <b>B. K. Singhal and D. N. Sen</b>	174
Biology and chemical for control of <i>Oxalis latifolia</i> Linn. <b>T. V. Muniyappa, T. V. Ramachandra Prasad and K. Krishnamurthy</b>	182
Weed flora of Punjab -III. Miscellaneous weeds of cultivation <b>M. Sharma</b>	188
<b>Short Communications</b>	
Fertilizer use efficiency in relation to weed control in transplanted rice <b>C. L. Patel, Z. G. Patel and P. V. Patel</b>	199
Efficiency of weed control methods in transplanted rice <b>C. L. Patel and Z. G. Patel</b>	203
Efficacy of herbicides in rice cultivars under different methods of cultivation <b>P. V. K. S. N. Venu Gopal, S. M. Kondap and Bucha Reddy</b>	207
Efficacy of herbicides in pearl millet <b>B. M. Rathod, J. C. Patel and D. D. Malavia</b>	214
Studies on weed control in field peas <b>I. P. S. Ahlawat, A. Singh and C. S. Saraf</b>	217
Chemical weed control in gram <b>C. R. Bisen and J. P. Tiwari</b>	223
Chemical weed control in soybean <b>S. A. Aman and M. M. Hosmani</b>	226
Effect of herbicides on yield and associated weeds in lentil <b>A. K. Singh and O. P. Singh</b>	228
Efficiency of herbicides for control of weeds in potato <b>O. P. Singh and S. S. Tripathi</b>	232
Pre-emergence herbicide Dacthal- W. 75 for weed control in groundnut <b>K. Anand Reddy</b>	235
Effect of simazine and nitrofen sources on growth of weeds and mineralization of nitrogen in sandy loam soils <b>O. P. Joshi and M. S. Sachdev</b>	239
Preliminary studies on the use of paraquat and 2,4-D for the control of water hyacinth <b>T. V. Muniyappa, P. Subramaniam, T. N. Krishnappa and G. Nanjundappa</b>	243
List of members of Indian Society of Weed Science - 1983	247
Appreciation to the Reviewers of 1983	251
Book Review	252
Index to Authors, Volume 15, 1983	253
