Title	Page
Development of Bioassay for Glyphosate and Dicamba and Uptake of Butachlor in Rice and <i>Echinochloa</i> R. Devendra, T. V. Ramachandra Prasad, C. D. Singh, Varadaraju and K. Krishnamurthy	203
Studies on Weed Control in Tobacco Seedbeds in India C. V. Raghavaiah and T. Krishnamurthy	210
Reaction of Rice Cultivars to Herbicides under Transplanted Puddled Conditions K. S. Sandhu, S. P. Mehra and H. S. Gill	216
Studies on Integrated Weed Control in Rainfed Groundnut G. S. Rathi, R. S. Sharma and M. P. Dubey	220
Effect of herbicides and water submergence levels on control of weeds in transplanted rice O. P. Singh and V. M. Bhan	226
Nutrients uptake by forage Sorghum and weeds as affected by herbicides P. D. Khare, S. M. Sharma, D. P. Tiwari and R. S. Rathore	231
Weed Management in Pre-seasonal Sugarcane J. R. Patil, H. N. Mali and C. D. Salunkhe	238
Studies on weed emergence pattern in transplanted rice. O. P. Singh and V. M. Bhan	244
Growth, Yield and Nutrient Uptake of Peas as affected by different herbicides A. R. Sharma and O. P. Vats	250
Effect of Herbicides on Control and Germination of <i>Ageratum conyzoides</i> L. G. L. Bansal and C. M. Singh	254
Weed Flora of Kashmir - Miscellaneous Weeds of Cultivation Irshad A. Navchoo and G. M. Buth	257
Nitrogen use efficiency in wheat by control of <i>Phalaris minor</i> Retz. H. S. Gill and U. S. Walia	259
Herbicidal control of weeds in transplanted rice A. N. Tewari, K. S. Rathi, P. N. Pandey and S. K. Singh	262
Algal Weeds of Paddy Fields of Ludhiana and its Adjacent Areas R. Sharma and I. S. Grover	265
Weed Flora of Punjab-Some Noteworthy Additions. M. Sharma	267
