

CONTENTS

Title	Page
Effect of Moisture Regimes and Weed control Treatments on Sunflower (<i>Helianthus annuus</i> L.) P. Nalayini and S. Sankarna	1
Efficacy of Glyphosate in Young Khasi Mandarin (<i>Citrus reticulata</i> Blanco) Orchard B. Singh and S.C. Gupta	6
Chemical Weed Control in Ber (<i>Zizyphus mauritiana</i> Lamk.) Orchard G. S. Bajwa, S. S. Brar, P. P. S. Minhas and J. S. Bal	11
Critical period of Crop-Weed Competition in Pigeon pea/Mungbean intercropping System in Chambal Command Jay G. Varshney	17
Weed Management in Intercropped Pigeon pea K. K. Singh and A. N. Tewari	21
Effect of Irrigation Regimes, Weed Control and Biofertilizer on the Weed Growth and Yield of Rice P. Muthukrishnan and S. Purushothaman	26
Rice-Weed Competition for Nutrients as Influenced by Seeding Methods and Weed Control Treatments B. L. Chandrakar and (Mrs.) G. Chandrakar	30
Residual Effects of Pendimethalin and Flurochloridone Applied to Sunflower on the Succeeding Crops P. Nalayini and S. Sankaran	34
Weed and Nitrogen Management Studies in Wet and Semi-wet Direct Seeded Rice Cultures H. L. Sharma	38
Weed Management in Potato-Wheat Sequential Cropping R. D. Singh and A. N. Tewari	43
Competition for Nitrogen Between Weeds and Drilled Rice-Effect of Time of Weed Control Bhagwan Sahai and V. M. Bhan	47
Bioenergetics of Various Weed Control Methods in sorghum+Pigeon pea Intercropping S. D. Billore, M. S. Upadhyay and S. Yadav	52
Weed Management in Bell Paper (<i>Capsicum annum</i> L.) N. P. Singh, A. K. Johri and A. K. Singh	56
Weed Management with Respect to Nutrients uptake in Wheat A. K. Johri, G. Singh and D. Sharma	60
SHORT COMMUNICATIONS	
Chemical Weed Control in <i>Capsularis</i> Jute A. K. Gogoi, H. Kalita, A. K. Pathak and J. Deka	68
Response of Soybean (<i>Glycine max</i> (L.) Merrill.) Varieties to Different Weed Control Methods Under Various Spacing V. B. Upadhyaya	70
Chemical Weed Control in Puddled Broadcast Rice R. D. Vaishya, Sushil Kumar and Ashish Shrivastava	72
Crop-Weed Competition in <i>Capsularis</i> Jute A. K. Gogoi and H. Kalita	74
Weed Management in Spring Planted Sugarcane R. S. Chauhan	76
Effect of Weed Control Treatments on Weeds and Seed Yield of Pigeon pea H. P. Maheshwarappa and H. V. Nanjappa	78
Crop-Weed Competition in Rainfed Blackgram (<i>Vigna mungo</i> L. Walp) A. K. Gogoi, H. Kalita, A. K. Pathak and J. Deka	81
Effect of Time of Application of Butachlor under Different Seeding Methods on Weeds and Yield of Rainfed Rice B. L. Chandrakar and S. K. Taunk	83
Studies on Herbicide Residue in Post-Harvested Soils of Upland Direct Seeded Rice Amal Saxena, R. D. Vaishya and S. S. Singh	85
Efficiency of Different Herbicides for Controlling weeds in Flax (<i>Linum usitatissimum</i> Linn.) Under Mid-hill Conditions of Himachal Pradesh B. L. Kapur and C. M. Singh	87
Economics of Weed Control in Rainfed Cotton C. S. Nakhate, D. K. Shelka and R. H. Bhosle	89
Efficiency of Herbicides in Direct Seeded Rice R. K. Mishra, R. K. Dwivedi and K. L. Tewari	93
Weed Control in Direct Seeded Low Land Rice under Puddled Condition Gajendra Singh and O. P. Singh	
Allelopathic Effect of <i>Ageratum conyzoides</i> L. and <i>Eupatorium odoratum</i> L. on Germination and Seedlings Growth of Rice S. K. Sharma, C. S. Patel and Raj Singh	96
