

CONTENTS

Title	Page
Selectivity of Herbicides to Different Rainy and Winter Crops and Weed Species Sahadeva Singh, V. M. Bhan	114
Effect of Irrigation Schedules, Fertilizer Levels and Weed Control Methods on Weeds, Nutrient Uptake and Quality of Peanut R. B. Tiwari	118
Chemical Weed Control In Linseed (<i>Linum Usitatissimum</i> L.) K. S. Sandhu, R. K. Bhatia, S. K. Randhawa, Surjit Singh	123
Studies on Weed Management in Linseed Grown in <i>Utera</i> System D. Badiyala, C. M. Singh, Suresh Kumar	127
Weed Control in Irrigated Wheat under Low Hill and Valley Situation of Uttar Pradesh V. P. Singh	130
Integrated Weed Management Studies in Soybean (<i>Glycine max</i> (L.) Merrill) R. S. Chhokar, R. S. Balyan, S. S. Pahuja	133
Studies on the Effects of Atrazine on Weeds in Winter Maize Anil Dixit, K. C. Gautam	137
Efficacy of Imazethapyr in Controlling Weeds in Soybean (<i>Glycine max</i> (L.) Merrill) M. C. Rana, N. N. Angiras	140
Adoption of Chemical Weed Control Measures against <i>Phalaris minor</i> for Wheat Crop in Punjab Ajit Singh, S. S. Gill	144
Weed Management for Direct Sown Rice under Rainfed Upland Conditions B. D. Kalia, A. D. Bindra	147
Direct and Residual Effects of Herbicides in a Soybean (<i>Glycine max</i>)-Wheat(<i>Triticum aestivum</i>) Cropping System J. P. Tiwari, S. P. Kurchania, N. R. Paradkar, C. S. Bhalla	150
Performance of Tralkoxydim for the Control of Wild Oats (<i>Avena ludoviciana</i> Dur.) in Wheat U. S. Walia, L. S. Brar, B. K. Dhaliwal	156
Studies on the Effect of Herbicides on the Growth, Nodulation and Symbiotic Nitrogen Fixation in Mungbean (<i>Vigna radiata</i> (L.) Wilezek) S. K. Pahwa, Jai Prakash	160
Integrated Weed Management in Direct Seeded Puddled Rice S. D. Dhiman, D. P. Nandal	164
Degradation of Tribenuron-methyl in Sterilized and Unsterilized Soil S. S. Punia, R. K. Malik, R. S. Hooda	167
Crop Weed Competition in American Cotton (<i>Gossypium hirsutum</i> L.) K. S. Sandhu, J. S. Chandi, Tarlok Singh	171
Studies on Rates and Times of Isoproturon Application in Flax Dinesh Badiyala, Suresh Kumar, C. M. Singh	174
Control of <i>Eichhornia crassipes</i> under Natural Growth Conditions Surjit Singh, O. P. Vats, L. S. Brar	177
Efficacy of Diclofop-methyl as Influenced by Rate and Time of Application in Wheat R. S. Balyan, R. K. Malik	180

Adsorption of Isoproturon on Some Soils Rajvinder Kaur, S. S. Bhardwaj, K. S. Sandhu, S. K. Randhawa	185
SHORT COMMUNICATIONS	
Integrated Weed Control in Wheat in Northern Hill Region of Chhattisgarh R. K. Dwivedi, R.P. Bajpai, S. K. Choudhary, R.K. Mishra	189
Effect of Irrigation, Phosphorus and Weed Control on Yield and Weed Growth in Summer Cowpea C. L. Patel, C. S. Saraf	191
Evaluation of Herbicides for <i>Hydrilla verticillata</i> control U.P. Singh, K. Moody	194
Effect of Fertility Levels and Weed Management on Weeds, Disease Incidence and Productivity of Sesame V.K. Singh, R. B. S. Sangar, R. P. Bajpai, R. K. Dwivedi	196
Studies on Herbicide Residue in Post-harvested Soils of Lentil under Irrigated Condition R. K. Singh, S. S. Singh, R. D. Vaishya	198
Response of Grain Amaranth (<i>Amaranthus hypochondriacus</i>) Cultivars to Weed Control Methods under Mid-hill Conditions G.L. Bansal, M.C. Rana, R.G. Upadhyay	200
Effect of Pre-plant Application of Pendimethalin against Annual Weeds in Cotton R. J. S. Thind, A. S. Brar, L. S. Brar	202
Studies on Rate and Time of Application for Fluroxypyr and Tridiphane in Transplanted Rice (<i>Oryza sativa</i> L.) V. S. Chauhan, J. N. Singh, Dheer Singh	204
The Menace of Indian Acalypha, a Weed-cum-Medicinal Plant in Garden Lands R. Swarnapiria, B. Anita, L. R. Suthanthirapandian, T. A. S. Chitra	206
Integrated Weed Management in Rainfed Maize (<i>Zea mays</i> L.) D. R. Thakur, V. Sharma	207
Studies on Phosphorus and Weed Management in French bean (<i>Phaseolus vulgaris</i>) under Dry-temperate High Hills of Himachal Pradesh Suresh Kumar, C. M. Singh, R.S. Jamwal	209
Weed Control Studies in Soybean (<i>Glycine max.</i> L. Merrill) B. M. Patil, R. N. Satao, G. S. Lahriya	212
Studies on Weed Management in Direct Sown Rice under Puddled Condition P. Muthukrishnan, M.N. Dudhar, K. Ponnuswamy, P. Santhi	214
Germination Potential of Weed Seeds after Different Storage Periods J. S. Tripathi, R. D. Vaishya	216
