Title	Page
Herbicide Resistance Mechanism in <i>Phalaris minor</i> and its Consequences on Management Strategies Samunder Singh	183
Current Status of Weed Resistance to Herbicides in Rice-Wheat Cropping System in Haryana and its Management Ashok Yadav, R. K. Malik, Gurjeet Gill, Sher Singh, B. S. Chauhan, R. R. Bellinder	194
Current Status of <i>Phalaris minor</i> Resistance against Isoproturon and Alternate Herbicides in the Rice-wheat Cropping Systems in Punjab U. S. Walia, L. S. Brar	207
Infestation of Wild Rice in the Rice-wheat Cropping Systems and its Management R. P. Singh, R. K. Singh	213
Effect of Chemical, Cultural and Mechanical Methods of Weed Control on Wet Seeded Rice E. Subramanian, G. James Martin	218
Effect of Dose and Time of Flufenacet Application on Weeds and Yield of Rice K. A. Gopinath, Jitendra Pandey	221
Integrated Management of Red Sprangletop [<i>Leptochloa chinensis</i> (L.) Nees] in Transplanted Rice C. S. Aulakh, S. P. Mehra	225
Evaluation of Fentrazamide and Flufenacet for Weed Control in Transplanted Rice R. S. Chhokar, R. K. Sharma, S. C. Tripathi, D. S. Chauhan	230
Effect of Nitrogen Levels, Irrigation Regimes and Weed Control Methods on Competitiveness of Bed Planted <i>Durum</i> Wheat (<i>Triticum durum</i> Desf.) with <i>Phalaris minor</i> Retz. M. Anwar Bhat, S. S. Mahal, Krishan Kumar, R. K. Mahey	233
Performance of Triasulfuron and Carfentrazone-ethyl against Broad Leaf Weeds in Wheat U. S. Walia, Buta Singh	237
Evaluation of Isopropazol against Isoproturon Resistant Biotypes of <i>Phalaris minor</i> Samunder Singh	240
Effect of FYM, Molybdenum and Weed Management Practices on Weeds, Yield Attributes and Yield of Chickpea B. D. Patel, V. J. Patel, M. I. Meisuriya	244
Influence of Organic Manures on the Weed Seed Bank in Maize T. Geetha Jebarathnam, R. M. Kathiresan	247
Integrated Management of Purple Nutsedge (<i>Cyperus rotundus</i> L.) in Okra M. Ameena, V. L. Geetha Kumari, Sansamma George	250
Microbial Degradation of Sulfosulfuron in Soil under Laboratory Conditions Amrit Pal Brar, S. S. Punia, Ashok Yadav, R. K. Malik	255
Residual Effect of Herbicide Applied as Alone and Mixture to Kharif Maize on Succeeding Rabi Oat and Mustard V. J. Patel, P. N. Upadhyay, S. U. Zala, B. D. Patel	258
Use of <i>Lantana</i> and <i>Eupatorium</i> as Green Manure in Rainfed Maize-Wheat System in North-West Himalayas B. S. Mankotia, R. C. Thakur, Jagdish Kumar, Sanjay Kumar	263
Effect of Different Adjuvants in Enhancing the Foliar Activity of Botanical Herbicide on Water Hyacinth [<i>Eichhornia crassipes</i> (Mart.) Solms] I. Gnanavel, R. M. Kathiresan	266
Performance of <i>Kabuli</i> Chickpea Genotypes under Different Phosphorus Levels and Weed Control Practices Satish Kumar, Rakesh Kumar	271

SHORT COMMUNICATIONS

- Integrated Weed Management in Indian Mustard (*Brassica juncea* L.)
M. L. Degra, R. K. Shivran, Rajvir Sharma 274
- Chemical Weed Control in Mungbean (*Vigna radiata* L.)—Farmer's Participatory Approach
G. S. Buttar, C. S. Aulakh, Sat Paul Mehra 276
- Evaluation of Tank Mix Application of Carfentrazone and Glyphosate for Total Vegetation Control in Uncultivated Land
D. J. Rajkhowa, I. C. Barua 278
- Efficiency Evaluation of Propaquizafop in Onion [*Allium cepa* (L.) var. *aggregatum*]
C. Chinnusamy, J. Bhuvaneswari, G. Prabukumar, A. Senthil, N. K. Prabhakaran 281
- Changes in Biodiversity of Native Flora of Kerala Due to Infestation of *Mimosa invisa* Mart.
P. K. Jayasree, C. T. Abraham 283
- Influence of Diquat and Paraquat on Photosynthetic Pigments and Hill Activity in *Parthenium hysterophorus* Linn.
B.A. Kore 285
